

**"The best safety device since the seatbelt"**

CAR AND DRIVER MAGAZINE

**"The HANS Device is the only product that secures my head and neck plus allows me to quickly exit in an emergency."**

JASON LINE – TWO-TIME NHRA PRO STOCK CHAMPION

**"I choose to wear a HANS because I can race as hard as possible with the peace of mind that I'm as safe as possible."**

KEVIN SWINDELL – THREE-TIME CHILI BOWL CHAMPION

**"The HANS Device is the number one safety improvement during my career."**

JEFF GORDON – FOUR-TIME NASCAR SPRINT CUP CHAMPION

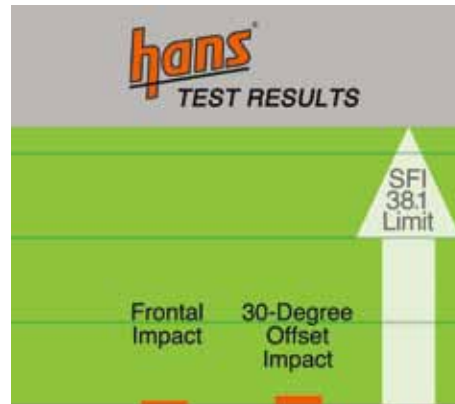

SFI 38.1 Approved

## History

Since its introduction by Dr. Bob Hubbard and Jim Downing in 1986, the HANS Device has become the single most significant safety development in motor racing.

## Performance

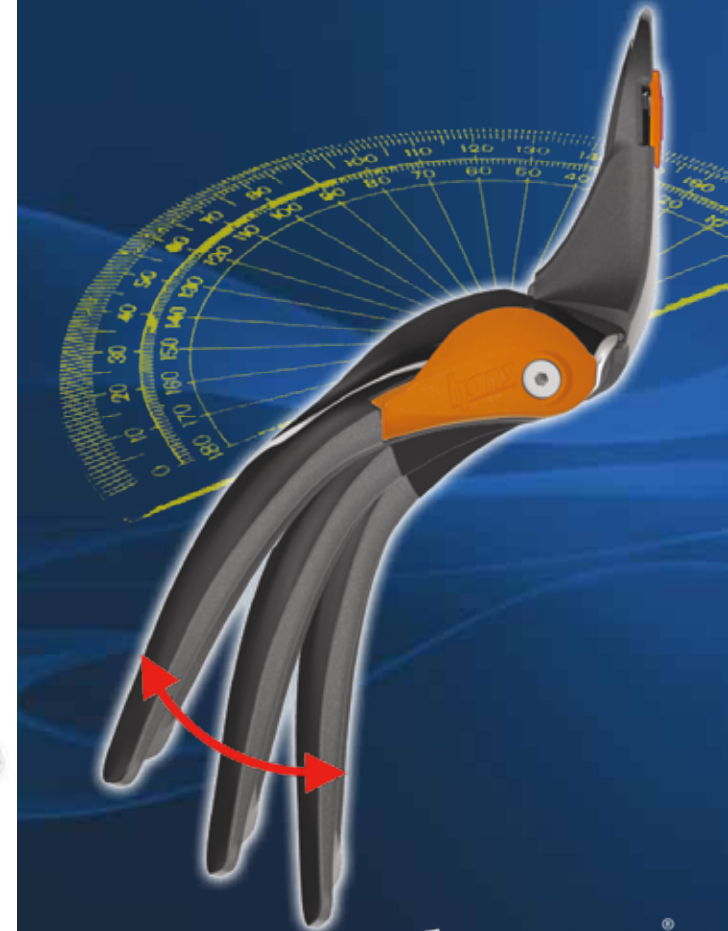

**HANS continues to achieve top-rated performance in testing.**
