F1 SPORT SHOE

CASUAL FOOTWEAR

SIZE: 6-14 US (38-48 EUR), Black only: 4.5-14 US (35-45 EUR)

Low profile, engaging F1 styling and innovative materials make the F1 Sport a fashionable, easy to wear and ultra comfortable everyday shoe. The softness and light weight of the shoe are a revelation and its construction makes its wearing uniquely satisfying.

Construction

- Upper made from ultra-lightweight and supple synthetic leather.
- Soft and durable polyurethane (PU) molded heel for maximum durability and cushioning.

Key Features

- Alpinestars exclusive speed lace closure means quick and precise fitting; PR Nylon laces run through eyelets and are secured with a self-locking clasp.
- Ultra low profile sole with a layered sandwich construction is light weight and comfortable
- Inner lining is made with 2mm EVA foam for comfort.
- Pressed internal mid sole with glued steel shank for rigid support, coupled with an ultra-thin rubber outsole for greater flexibility and reduced weight.
- Oil resistant outer sole.
