GP TECH SUIT

AUTO RACING APPAREL

SIZE: 44-60 EUR

The GP Tech is Alpinestars premier auto racing suit and incorporates the latest technological advances from Alpinestars F1 and NASCAR race program. Featuring an ultra-lightweight, three layer Nomex® construction, the GP Tech utilizes Alpinestars' innovative fully floating arm for unsurpassed freedom of movement while driving.

Complies with the FIA 8856-2000 homologation standard.

High performance materials

- Ultra-lightweight, three layer Nomex® construction provides the ultimate in performance and protection.
- Strategically placed, highly breathable fabric inserts enhances body temperature regulation and moisture wicking performance.
- Alpinestars' fully floating arm construction with stretchable knit fabric ensures minimal material resistance while driving.

Constructed for superior fit

- Alpinestars patented central back stretch panel greatly enhances freedom of movement and helps maintain the suit's fit while driving.
- Arm and leg patterning is ergonomically engineered for optimum fit in the driving position.
- Dual-layer armpit construction further enhances mobility and comfort in the cockpit.
- Internal flat seams reduce pressure points in the suit for a more comfortable driving experience.

Premium details

- Soft knit fabric collar ensures a comfortable closure at the top of the suit.
- Revised fabric coverage on the shoulders allows comfortable placement of the HANS device, while ensuring minimal material bunching occurring under the device when racing.
